A young New Haven gentleman recently and the property of the p

in pateriamilian residing near Winsted who is in the habit of executing of this A certain paternamen reasons near the Cons., and who is in the babt of exacting of this household a cirict faidliment of all devotional factors requestly hard a terribe racket smong the foragater in their domnitory. Going to the intrones, he ctarnly deasoned to know what was the master up there. The following was the employer party: "Harry won't let me say my propers, d.— has ?" Toommon and Rogers,

priver, d.— him?"

John tells a story of Thompson and Rogers, two married men, wandering home late one night, stopping at what Thompson supposed to the his residence, but which his companion in stand was his own house. Thompson rang the bell haility, when a window was opened, and lady inquirted what was wanted? "Madam," inquired fir. T. "ian't this Mr. T. "Thompson's house? "No." reptiled the hely, "this is the house of Mr. Rogers, ""No!" sexial med his the house of Mr. Rogers, won't you just stop down to the door, and pick out kogers, for Thompson wants to go house."

A minister wrote once from \$3saratoga. "The

lng \$100.

One day at Lake Goorge, a party of gentlemen strolling among the beautiful islands of the lake with rather bad luck, espied a little fellow with rather bad luck, espied a little fellow with red shirt and an old straw lat, dangling a line over the side of the best. "Hello, toy," said one of them, "what are you doing." "Fishing," came the answer. "Well, of course," said the gentleman, "but what do you catch?" Here the boy became indignant at so much questioning and ceptied: "Fish, you fool; what do you afpose?"

any man's earthly cureer is that wherein he fan cles that there is some easier way of gaining : dollar than by squarely earning it.

It was recoived at a late temperance meeting in Wisconsin that absolute temperance is indispensable to raise men to the level of other nationals.
